Claiborne Parish Schools is a small, but powerful school district. We offer high quality Tier 1 curriculum, professional development, technology, and instructional support to help ensure our teachers are successful.

Alex Feaster, a former TEAM model student and now Claiborne Parish Teacher says, "I am so grateful that I have had the opportunity to grow as a teacher in a parish that provides the resources in order for me and my students to succeed."

If you would like to visit any of our schools or discuss any questions or concerns, please call, text, or e-mail our Instructional Coaches.
