

**Louisiana Tech Clinical Residency Fall Institute:
Using Data to Improve Teacher Preparation Programs**
September 19th, 2019

Setting Your Purpose

What is something you hope to gain from this conference?

Data Use Core Values: Notes Catcher

Collaborative Practice

Knowledge Construction

Internally Motivated Improvement

Continuous Growth

Reflect & Discuss:

What are you thinking so far?
How do these Core Data Use values align (or not) with the Core Values you and your institution currently hold?

Data Use Core Values: Portrait Reflection Activity

As you read your assigned portrait, record evidence of where you see the Data Core Values reflected or where you see them missing.

Collaborative Practice

Knowledge Construction

Internally Motivated Improvement

Continuous Growth

Data Use Values and Sources: Self Reflection

What Data Use Core Values are already established in your organization?	What data sources do you already have?	How are you using these data sources?

*After completing this chart, **indicate what is most important for your program**. Which data use **core value** and **data source** will you focus on throughout today's learning?

What insights into data use in your organization did this activity generate for you?

Systems & Structures for Utilizing Data

Clinical Practice

Description	
In what ways do you see the Data Use Core Values enacted in this model?	

Co-Scoring Lessons for Inter-Rater Reliability

Description	
-------------	--

In what ways do you see the Data Use Core Values enacted in this model?	
-------------------------------------------------------------------------	--

Data-Based Research/Self-Study

Description	
In what ways do you see the Data Use Core Values enacted in this model?	

Data Day/Data Summit

Description	
-------------	--

In what ways do you see the Data Use Core Values enacted in this model?

Data Core Values: Vision Casting & Action Step Planning

Which **Data Use Core Values** will drive your next steps?

What **data sources** will you focus on?

What **systems are in place** for this data?

What **systems are needed**?

What **research** could you share?

What **examples** from other US PREP partners could you share?

Who need to be a part of the **decision making and planning**?
